

Delivering Solving Evolving

Ferrari Group

The one-stop service provider
specialising in the secure shipping
of jewellery and precious goods,
integrated logistics and
high value-added services.

Unrivalled global expertise,
tailor-made solutions,
successfully applied to Luxury.

Established in 1959 in Italy, Ferrari Group is today a truly global player: an extensive network of subsidiaries and strategic partners providing **impeccable services** worldwide, based on **responsiveness, discretion and utmost security**.

Ferrari Group fosters innovation and the use of advanced technologies to minimise its impact on the planet, while growing its business globally.

The Group's far-reaching perspective leads the **evolution** of innovative services worldwide, with **sustainability as a driver for positive change**.

Global Presence

The Power of the Group's Network

Engaging **enthusiasm**, with a **constantly evolving** project.

A continuously increasing, capillary network of subsidiaries, joint ventures and strategic partners throughout the globe, coordinated by the London-based holding company Ferrari Group PLC.

- › the **NETWORK** sets us apart from our competitors
- › **THROUGH THE NETWORK** we are able to provide accurate, customised services in most parts of the world, while retaining a **high expertise in the peculiarities of each individual country**.

One Name, One Global Network

MULTI-FACETED
TALENTS

Our People

BUILT OVER
THE YEARS
AND ACROSS
CONTINENTS

UNITED BY
DEDICATION
AND A CAN-DO
ATTITUDE

A TRULY GLOBAL,
CARING FAMILY

We treat each service
differently. And each
employee in the same way.

Diversity

Equal
opportunities

Inclusion

The first reason for our success is the people who
work with us.

Multi-faceted talents, committed
to a “can do” attitude.

Over the years, we have kindled the growth
of motivated and talented professionals, creating
an international, caring family.

We promote diversity and inclusion as one
of the main strengths for a successful business.

Ferrari Group is committed to eliminating any
type of discrimination and strives to ensure
equal opportunities for all employees,
respecting the wide range of ethnicities and
cultural backgrounds present in the Group.

Our Pillars

Ultimate Security

Ferrari Group guarantees world-class security procedures & state-of-the-art equipment, to constantly ensure our clients' assets protection.

Ultimate security throughout each service and facility, worldwide:

- › Offices
- › Warehouses & Vaults
- › Guards
- › Vehicles
- › Packaging

In most countries Ferrari itself is a licensed Security company with its own fleet of vehicles and guards.

All of Ferrari's security projects are approved by a Lloyds certified adjuster and security consultant.

Unrivalled Customs Expertise

State-of-the-art customs solutions, worldwide: we are a technical consultant with unrivalled customs expertise.

In-house customs brokerage, country-specific knowledge, on-site presence, specially trained professionals who guarantee effective solutions for customers.

Advanced In-House ICT

High flexibility and customised solutions: the in-house ICT Department is a fundamental partnership tool with clients.

The ICT Team fosters innovation to offer customised solutions, establishing electronic data exchanges with customers' ERPs and/or providing dedicated web-based tools for shipment tracking and document archiving (e.g. HAWB; proofs of delivery, invoices), to streamline cooperation with customers.

A Global Environmental, Social and Governance Approach

We protect what matters.
Your valuables,
and our shared values.

Our global presence across diverse markets and cultures deepens our awareness of our responsibilities and strengthens our ability to care for clients, employees, partners, suppliers, and communities.

Ferrari Group complies with the **highest ethical standards** when it conducts business globally.

While adapting to local realities and priorities, and upholding and respecting distinctive identities, the entire Group shares a **common vision of social responsibility and business ethics**.

Sustainability Drives Positive Change

Ferrari Group is aware of the environmental impact of its global operations. We work towards managing our impact and improving our ability to create value for our stakeholders in the short, medium and long term.

As an integral part of our business strategy and operating methods, we are actively working to:

- › **MANAGE** our environmental footprint
- › **IMPROVE** our environmental performance over the long term.

Ferrari Group monitors, measures, and reports its environmental performance annually — aiming to comply with regulatory requirements and to partner with the global community for more sustainable logistics solutions

Our efforts are detailed in our Sustainability Report, which is externally audited and structured according to international standards.

This is a shared journey: we collaborate with clients, partners, suppliers and employees to drive positive change, reduce our collective impact, and support the wellbeing of our people.

Our Attitude: Customer- Driven Evolution

We are
Problem-Solvers

● FLEXIBLE

KNOWLEDGEABLE ●

RESPONSIVE ●

Our attitude is very proactive: that is why the evolution of our service offerings has always been **customer-driven**, molded around our clients' needs, with a responsive approach to innovation.

Be it a valuables shipment, a major jewellery exhibition, a global red-carpet event, an exclusive brand show in a secluded location... each one of our services is **always tailor-made** to the exact specifications of the client.

Across the whole Network, our **attentive approach** consistently ensures maximum reliability, ultimate security and **exceptional focus on detail**, with high value-added solutions.

More than simply
solving problems,
we build relationships.

Innovation is Evolution

We truly help make the impossible possible. To do so, we continuously adapt, to do things better - that's what we call evolving.

One of the main development objectives of the Ferrari Group is growth through sustainability.

We envision innovative
developments in

We foster **innovation** and the use of **advanced technologies**:

- › to minimise our impact on the planet
- › to create sustainable developments in our solutions, while growing our business.

Strong and lasting relationships with our Customers and Stakeholders, **far-reaching perspective** and **critical thinking** guide our continuous development.

“Ferrari Group was born in Italy,
in the heart of the Mediterranean,
in the cradle of civilization.
Here, Luxury was defined as we
know it today. Here, through millennia
of history, special sensitivities and skills
have been developed to treat luxury
goods not as mere commodities.
Based on this original sensitivity,
Ferrari Group has been working since
the very start to ensure the best care
in services for everything that is precious.”

Giorgio Deiana, President (1941 - 2018)
