

Challenges to Possibilities

Who is Huxe?

Huxe is a new initiative from Hecny Group that provides non-bureaucratic, quick-thinking and specialized solutions for valuable cargo.

Huxe operates as a boutique, lean organization designed for speed and efficiency, delivering results for its partners. The team prioritizes customers, focuses on problem-solving, and ensures compliance with global regulations.

... and Hecny?

Hecny Group is a global leader with over 70 years of logistics expertise, seamlessly integrating technology, innovation, and industry knowledge to deliver end-to-end supply chain solutions. With a strong global network, we excel in freight management, warehousing, and digital logistics, ensuring efficiency, transparency, and adaptability.

Driven by decades of experience, Hecny remains committed to operational excellence, sustainability, and continuous innovation, empowering businesses to navigate global trade with confidence.

Chi è Huxe?

Huxe è una nuova iniziativa del Gruppo Hecny che offre soluzioni specializzate, rapide e orientate all'efficienza per il trasporto di merci di alto valore.

Huxe opera come un'organizzazione boutique ed è pensata per garantire velocità ed efficienza, offrendo risultati concreti ai propri partner. Il team mette il cliente al centro, ed è orientato alla risoluzione dei problemi assicurando conformità alle normative internazionali.

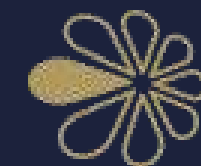

... e Hecny?

Hecny Group è un leader globale con oltre 70 anni di esperienza nella logistica, che integra in modo fluido tecnologia, innovazione e competenze di settore per offrire soluzioni end-to-end per la supply chain.

Grazie a una solida rete internazionale, eccelle nella gestione dei trasporti, nel magazzinaggio e nella logistica digitale, garantendo efficienza, trasparenza e capacità di adattamento.

Forte di decenni di esperienza, Hecny mantiene un impegno costante verso l'eccellenza operativa, la sostenibilità e l'innovazione continua, permettendo alle aziende di affrontare il commercio globale con fiducia.
